Study Board of Computer Science		
MSc in Computer Science (IT) (Aalborg)	X	X
MSc in Software (Copenhagen). (2th semester)	X	X
Study Board of Electronics and IT		
BSc in Cyber and Computer Engineering (CPH) - NOTE: In Danish	X	X
BSc in Engineering Cyber and Computer Engineering (CPH) (5 th /6th semester)	X	X
BSc in Computer Engineering (Aalborg) (5 th /6th semester)	X	X
BSc in Electronics and IT with specialisation in Communication Systems (Aalborg) 6th semester		X
BSc in Electronics and IT with specialisation in Control Engineering (Aalborg) 6th semester		X
BSc in Electronics and IT with specialisation in Informatics (Aalborg) 6th semester		X
BSc in Electronics and IT with specialisation in Signal Processing (Aalborg) 6th semester		X
BSc in Electronic Systems Engineering (Aalborg) (5th and/or 6th semester)	X	X
BSc in Robotics (Aalborg) (5 th /6th semester)	X	X
MSc in Electronic Systems (Aalborg)	X	X
MSc in Innovative Communication Technologies and Entrepreneurship (Copenhagen)	X	X
MSc in Robotics (Aalborg)	X	X
MSc in Computer Engineering with specialization in Networks and Distributed Systems (Aalborg)	X	X
MSc in Computer Engineering with specialization in AI, Vision and Sound (Aalborg)	X	X
MSc in Cyber Security (Copenhagen)	X	X
Study Board of Architecture and Design		
MSc in Architecture (Aalborg)	X	X
MSc in Industrial Design (Aalborg)	X	X
MSc in Urban Design (Aalborg)	X	X
The Faculty of Engineering and Science/ENG		
Study Board of Energy		
BSc in Energy Engineering, specialisation in Mechatronics (Aalborg)	X	X
BSc in Energy Engineering, specialisation in Electrical Energy (Aalborg)	X	X
BSc in Energy Engineering, specialisation in Thermal Energy (Aalborg)	X	X
MSc in Energy Engineering, specialisation in Electrical Power Systems and High Voltage Tech (Aalborg)	X	X
MSc in Energy Engineering, specialisation in Fuel Cells and Hydrogen Technology (Aalborg)	X	X
MSc in Energy Engineering, specialisation in Mechatronic Control Engineering (Aalborg)	X	X
MSc in Energy Engineering, specialisation in Power Electronics and Drives (Aalborg)	X	X
MSc in Energy Engineering, specialisation in Thermal Energy and Process Engineering (Aalborg)	X	X
MSc in Energy Engineering, specialisation in Wind Power Systems (Aalborg)	X	X
Study Board of Build, Energy, Electronics and Mechanics in Esbjerg		
BSc in Applied Industrial Electronics, specialisation in Industrial Electronics (Esbjerg)	X	X
BSc in Applied Industrial Electronics, specialisation in IT and Cyber Systems (Esbjerg)	X	X
BSc in Energy Engineering, specialisation in Dynamic Systems (Esbjerg)	X	X

*Disclaimer: Please note that changes may occur

BSc in Energy Engineering, specialisation in Thermal Processes (Esbjerg)	X	X
MSc in Sustainable Energy Engineering, specialisation in Offshore Energy Systems (Esbjerg)	X	X
MSc in Advanced Power Electronics (Esbjerg)	X	X
MSc in Sustainable Energy Engineering, specialisation in Process Engineering and Combustion Technology (Esbjerg)	X	X
Study Board of the Built Environment		
MSc in Building Energy Design (Aalborg)	X	X
MSc in Indoor Environmental and Energy Engineering (Aalborg)	X	X
